Community Christmas Party 2019

by Val Niehaus

The Forest County Potawatomi (FCP) Recreation department hosted its annual community Christmas party on Dec. 20, 2019, at Potawatomi Carter Casino Hotel (PCCCH). As usual, this much-anticipated holiday event was a highlight of the season for both the community children and their families.

The event started with a chicken dinner for everyone to enjoy. Dinner started at 5 p.m., with the banquet hall filling up quickly. Afterward, families, children and friends headed into the other banquet hall to continue the festivities with an even longer line of children waiting their turn to see Santa. Everyone anxiously awaited the 6 p.m. arrival of the Big Man himself, and he showed up right on time. Unfortunately, Mrs. Claus could not make it this year, but Santa isn't one to disappoint and made sure he had plenty of gifts for this special event. The FCP community children have variable reactions on seeing Santa with everything from crying to extreme excitement, and capturing the meetings on camera is a big part of the fun for parents.

As always, there were also raffles with gifts for the adults to win throughout the evening. Items ranged from gift cards to kitchenware and iPads as well as smart TVs for a lucky few. The children got hooked up from Santa and received gift upon gift for them to open and play with right away. They even got a special bag of old school candy...a special treat for sure.

Santa and his helpers in the Recre-

ation department did a superb job of selecting age-appropriate gifts for each child, and there didn't seem to be anyone disappointed.

Throughout a good part of the evening, the banquet hall continued to have dinner available for late comers and those who worked up an appetite with all of the excitement. In addition, a coloring contest was also constantly running for children who needed to relax for a bit. Midway through the evening, beautiful and tasty Christmas cookies suddenly appeared to top off the evening. These were enjoyed by adults and children alike!

There's no doubt that everyone at the party - both young and old - had a great time at this well-organized event. As every year finds the crowds getting bigger, many will be happy once the new community center is up and running for events such as this. Having more room for all the activities and more area for the young to run and the old to sit and visit will definitely be welcome, and likely even more necessary in years to come as this family event becomes even more popular.

Many thanks to Sonny, Brian and the rest of the Recreation crew for working hard to make this the wonderful event it is. It takes an incredible amount of time and organization to buy the gifts, wrap them in holiday paper, organize them by age, and fill the candy bags. They do a great job of keeping things organized and running smoothly as they both address the needs of the children and the adults.

PCCCH staff did a wonderful job of preparing and serving the meal and the cookies were greatly appreciated as well.

And of course, a HUGE thank you to Santa himself, as we all know how busy he is around this time of year. It sure is special for him to make the stop and we hope he enjoyed the evening as much as all in attendance did!

JANUARY IS RADON AWARENESS MONTH

Radon is the leading cause of lung cancer in non-smokers. If you're a smoker, your chances of getting cancer from radon are multiplied. An estimated 15,000 to 22,000 people die each year from lung cancer caused by radon.

Radon is a radioactive, odorless gas that seeps into your home from the soil. Any home can have radon, regardless of whether the neighbor's house has it or you're in an area with a high occurrence of radon.

Get your home tested NOW!

January is when conditions are best for testing. It's easy to test. Carefully follow the instructions on the test-kit package and send the package in for results.

Short-term & Long-term* Test Kits can be obtained at:

- **FOREST COUNTY HEALTH DEPARTMENT**
715-478-3371
Mon. – Fri. • 8:30 am – 4:30 pm
\$8.00 per kit
- **MOST HARDWARE STORES**

*It is recommended to perform a short-term test first, then long-term if results are high. Homes should be retested every two years.

For more information on radon:
forestcountypublichealth.org/community-health/radon/
dhs.wisconsin.gov/radiation/radon
epa.gov/radon

• **Hour of Power** - Big Book, NA Book or Wellbriety Book, Thursdays, 2 - 3 p.m. @ Old Tribal Hall. Call (715) 478-4332 with questions.

Do You Feel Like No One Understands You? You're not alone! Let your voice be heard! Let someone share your pain! If you are thinking of committing suicide or know someone who is, please get help! Crisis Line: (888) 299-1188 (Serving Forest, Vilas & Oneida counties: 24 hours a day/7 days a week); Kids in Need: (800) 622-9120; The Get-2-Gether Peer Support Drop-In Center: (715) 369-3871; Run-Away Hotline: (800) 621-4000; (800) 273-TALK; TTY: (800) 799-4TTY or visit suicidehotlines.com.

Crisis Counselor - If you are having any current or ongoing thoughts about taking your life, support and help are available. Call this local crisis line to speak to a trained professional over the phone at 1-888-299-1188. Or text CONNECT to 741741 to text a trained crisis counselor.

Smoking Cessation Incentive Program
Open to FCP tribal members and individuals eligible for Alternative Care Program. Services include: appointments with nurses and CHR's to determine a quit plan, kit filled with items that aid in the quitting process, educational materials and products, plus a reward upon completion of third smoking cessation appointment.

To learn more about the program or to schedule an appointment, contact Sara Cleere-man, R.N., at (715) 478-4889.

Diabetes Education Program
By appointment. Including blood glucose monitoring, making healthy changes, psychosocial, complications, sick day and travel, planning for pregnancy, hypoglycemia, medications, diabetes in general, insulin and goal setting. Please call Anne Chrisman, RN, at (715) 478-4383, or Cathy Chitko at (715) 478-4367.

CULTURE

Language Classes
Please call (715) 478-4173 with questions regarding times/locations of language classes.

SERVICES OFFERED

FCP Economic Support
Tribal Employment Skill Program- available to adult tribal members living in Forest County or in surrounding counties. Tribal Members can be on a work experience in various departments for up to 6 months. This allows the tribal members to test drive different areas of the tribe to find a good fit. Economic Support Staff work closely with the FCP Tribal Education Department.

Work-Related Services
Driver's License Services (Department of Motor Vehicles-DMV)
• Provides the direct connection between DMV and individual for driver's license status
• Provides connection with Human Service Center for Assessment
• Assists with any other device or information needed to complete the driver's license reinstatement

Employment Counseling
• Assists with cover letters and resume to prepare for interviews
• Provides tips for interview skills and resume development
• Mock interviews
• Job seeking and application completion tips
• Tips for professional attire and workplace professionalism

Personal Development Services
• Financial classes and/or financial planning
• GED/HSED and/or college preparation classes and referrals
• Soft skills development training
• Communication and time management
Work Experiences
• Vocational training classes
• Community service work
• Job placements within the tribe including casino

• Placement options outside the tribe
Supportive Services (based on available funding)
• Basic Education class fees
• Driver's License reinstatement fees, driving tests and/or other costs
• Transportation costs to attend work-related sessions or workshops
Employment Retention Services
• Supportive services provided to individuals that obtain employment within 6 months of employment.

The Work Experience Programs has a 54% success rate where individuals were hired on into tribal positions. This was accomplished by the hard work of the tribal member, department's availability of a position, and approval/support of department supervisors and division administrators.

Badgercare - a state/federally-funded program that provides health coverage for individuals living on the reservation, tribal children and affiliated-tribal members.

Foodshare - a state/federally-funded program that provides an EBT food card to eligible individuals living on the reservation or individuals that have tribal children living in Forest County. The program has eligibility requirements that also considers shelter/housing expenses.

FSET - Foodshare Employment & Training Program - individuals that are eligible for Foodshare could be voluntary or mandatory for this work program.

Temporary Assistance for Needy Families (TANF) - this work program is funded through the Administration for Children and Families with an income limit of 150% of federal poverty level for individuals living on the reservation and/or individuals living in Forest County that have FCP tribal children. The program has Child Only funds for grandparents and other legal placement through the FCP ICW Department.

General Assistance (GA) - this work program is funded through the Bureau of Indian Affairs. The program offers a cash monthly payment and is available for the federally-recognized tribal members living on the reservation.

Native Employment Works (NEW) Program - this work program is funded through the Administration for Children and Families for tribal affiliated individuals living on the reservation or within the service area. The placement opportunity is for three months at 24-35 hours per week and we have limited slots available based on funding.

Community Service - can play a prominent role in the FCP community. While working with the Tribal Court, Wellness Court, Education and Family Services, the program can provide a way for tribal and community members to give back. The coordinator also works with tribal youth to help them develop a personal stake in their own community and raise awareness of community issues. It will teach individuals responsibility, respect, trust and to have a pride in their community.

Computer Resource - located at the Family Service Building is a computer that individuals can utilize to complete their resume, type correspondence, work on the self-paced Microsoft Computer Training Program or apply online for health care coverage programs. The Economic Support staff is available to provide services for resume building, computer training programs, and for any other economic support program information.

Family Resource Center - is located at the Historical Tribal Hall on 8000 Potawatomi Trail. The following classes are available: Parenting, Healthy Relationship, Moral Reconciliation Therapy (MRT), Play Shoppe and other valuable resources. For more information call (715) 478-4837.

The Economic Support Department's mission is:
• To provide more successful work opportunities/training for tribal members
• To continue in providing support and advocacy for individuals on economic support programs
• To support and assist in the transition from work experience to full-time employment for tribal members within tribal entities
• To provide community services and parenting resources to the tribal community

If you would like more information on any program or service, please stop in at the Family Services Building or call the main line at (715) 478-4433. The Economic Support staff looks forward to seeing you!

Greenfire: TIVOLI GREEN GROUNDBREAKING

Greenfire celebrated a milestone this month with the Tivoli Green groundbreaking in Mount Pleasant. The multi-phased project consists of construction of 13 multi-family buildings totaling 335,000 SF. Greenfire is honored to be a part of the team who possesses the dedication and vision to bring an impactful project to life. As Racine County continues to see impressive growth, they are proud to work on this transformative project that will deliver a new supply of quality housing to the community. Greenfire would like to thank Stu Wangard and the team at Wangard Partners, Inc., for the opportunity to serve as the construction manager on this exciting project! The project team includes Jake Basten, senior project manager; Dave Kwiatkowski, superintendent; and Zach Brucker, project engineer, with AG Architecture serving as the architect.

Photo: (1) Representatives from Greenfire, Racine County Economic Development Corporation, Village of Mount Pleasant, Racine County, and Wangard Partners, Inc., commemorate the Tivoli Green groundbreaking (2) Presentations from each project partner at Mount Pleasant Village Hall (3) Speakers from each of the project partners (4) Rendering for exterior of one apartment building

Project Spotlight: BAD RIVER HEAD START FACILITY

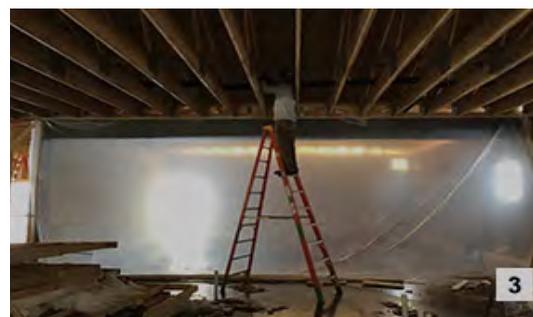

Photo: (1) Facility is watertight with project team working on interior build-out (2) Crews installed all MEP and fire protection systems (3) Interior view of a classroom (4) Rendering for exterior of the Head Start facility

The Bad River Head Start facility is new construction of a 13,000 SF educational facility residing within the Bad River Band Reservation in Odanah, Wis.

Replacing the existing Head Start, the new facility offers classrooms, early childhood care stations, a cafeteria, a motor-skills development area, offices, a conference room and two playgrounds. Exterior construction includes masonry and LP (manufactured wood) siding and sitework to build up the existing grade by five feet with 25,000 cubic feet of sand to allow for new construction in a wetland. Interior construction includes all new mechanical, electrical, plumbing and fire protection systems, and a solar array to minimize energy consumption. Currently, the facility is watertight with crews working on the interior build-out.

Upon initial construction, the project team worked closely with the Bad River Band Education Department to achieve design intent, seek cost-saving alternatives, and to ensure all work was completed to code. Bad River also plans to expand the existing solar array to eventually generate 100 percent of energy consumption on site. The project began in August 2019 with building turnover end of March 2020.

The Greenfire project team consists of Kevin Hansen, senior project manager, and Bill Garvin, superintendent. The owner is the Bad River Band of Lake Superior Chippewa and the architect is DSGW Architects.

Here's to a spectacular 2020!
Happy New Year from PBDC
