2. Pursuant to the FZI Program, and with the approval of the Executive Council, Decedent on _____, _____, executed a Promissory Note and Mortgage Loan in the amount of _____.

5. Under the Policies, an FZI loan applicant "must have or be able to obtain a leasehold interest or title in fee simple to the property, and must further be able to provide a first mortgage or equivalent security interest in the property to the Tribe." Policies, page 7.
6. Although FZI Policies provide that long-term leases by issued to members purchasing homes on tribal trust lands, no such leases were issued in many cases, including in decedent's case.
7. 9. The purpose of the FZI Program is to enable tribal members to discontinue their status as renters and become home owners, thereby enjoying all of the benefits of home ownership, including the right to dispose of their homes by sale, gift or devise to relatives who are members of the tribe.

This intention and expectation gives rise to an inchoate ownership interest.
12. Pending issuance of a lease by the General Council, petitioner and Decedent's heirs seek a tribal court determination of the right to assume Decedent's inchoate ownership interest in the home.

13. Upon information and belief, the current unpaid amount on that Promissory Note is \$_____.
14. Petitioner is unaware of any other probate or appointment proceeding concerning the decedent.
